

SAVE TIME & MONEY

The fast easy solution to clean up spills and transfer fluids.

the spillpro™

SPILL AND FLUID RECOVERY SYSTEM

PROUD TO SAY  
MADE IN THE USA

MAKE A BIG STEP TOWARDS MEETING ENVIRONMENTAL STANDARDS!!!

Don't spend money on floor dry products. Stop dealing with messy pads & floor sweep. Save mess and time transferring fluid to your waste container. This one tool can do all these things while helping solve Environmental issues.

TheSpillPro is fast, easy & safe. It operates on air alone. No pumps, motors or diaphragms to wear out. Just 4 valves and 2 hoses (1 for suction & 1 for discharge). Virtually maint. free. Use TheSpillPro for clean up and transfer of :

- ☛ OIL
- ☛ HYD. FLUID
- ☛ TRANSMISSION FLUID
- ☛ GREASE & LUBE OIL
- ☛ ANTIFREEZE
- ☛ DIESEL , JP5 & JP8 FUEL
- ☛ CNC MILLINGS
- ☛ WATER
- ☛ USE AS FILTER CART
- ☛ AND MUCH, MUCH MORE!!!

Helps you meet EPA standards by reducing down stream waste. No more sending to the landfill, reclaim, recycle and reuse your waste products
